Hello everybody. I'm Ebihara.
Thanks to everyone who loves and supports this manga.

Although this is my first production I'm very happy with it, so I did a continuation of the 3 lead characters in Trap.

I'm very thankful to my editor Hasegawa, Hide-san, Mizuki-san, Chicko-chan, and all who have helped.

Of course, I'm most thankful to all who are reading.

I'll continue to work hard!♡

See you again!
